## Commandant's Report August 2014

I'd like start by expressing my condolences to the friends and families of Barry Reese who passed just prior to our last General Meeting. Barry was a long time Associate Member of the Smedley Butler Detachment and also a member of the VFW and American Legion.

Our Annual Picnic is coming up and the Sr. Vice asked me to get the word out. The location of the Picnic will again be Drexel Lodge which is located on West Chester Pike in Newtown Square. If you are going to attend and did not already sign up, please contact Dominic D'Alessandro at 215-205-1713. Dominic needs an approximate head count for the caterer.

I would like to congratulate Louis Camilli, George Edelmann, Walter Tallmadge, and Donald Walz. These four members

of our Detachment, along with four others from the DELCO Detachment were recognized in a proclamation by Congressman Pat Meehan. This proclamation had been read into the Congressional Record of the 113th Congress in Washington, D.C.

I would like to recognize some of our Detachment Members for going above and beyond. As we all know, our Jr. Vice McLeod and his band of HUHO followers outdo themselves year in and year out. But, a couple of his followers have been thinking outside the box and have found some new locations to bring in additional charitable donations. Those members are Roger Godfrey who has been setting up shop in Booth's Corner and George Boyajian in Havertown. Nice job, fella's!

Make sure you check out some upcoming events that are highlighted on pages 8 and 9.

## Help Us Help Others (HUHO)

Members!

Our 2014 HUHO fund raising Campaign has kicked-off, March 22 at the Havertown Superfresh and Media ACME Stores.

Our fundraising is **to help others in need! Among those are individuals and families from over 650,000 Veterans waiting several months for action on their disability/compensation claims!**

Scheduling of our HUHO Store Events was completed subject to our delivering confirmation letters to Store Managements confirming their prior verbal approvals. ACME Corporate Management has granted approval for our proposed ACME Store activity.

At least part, if not all, of our Schedule is contained in this month's *Scuttlebutt*. One thing we can be sure of is the Schedule will change: Corporate cancellations, double booking by Store Management action and JR. Vice errors will take its toll. **Please keep our Schedule information confidential, within our Detachment Family!**

Copies of the Schedule will have been emailed or USPS mailed to active HUHO participants and to new Members who have expressed interest in participating. **Other Members, who are interested in participating, please contact me at 610 356 8893.**

During our Campaign, I will call active participants during the early part of each week in order to staff that week's scheduled event. Generally, if you have not heard from me by Thursday Evening, you may stand at ease!

It's never too late to express appreciation to our participants, spouses and friends for the outstanding results achieved in our past Campaigns! Here's to a similar, successful Campaign in 2014!

Respectively Submitted,

*Jack McLeod*

**Marine Corps League**  
**General Meeting Minutes – 1 July 2014**

Commandant: Commandant Paul Ferguson opened the meeting at 1930. The regular opening ceremonies were conducted. Officers present were Commandant Paul Ferguson, Sr. Vice Commandant Dominic D'Alessandro, Jr. Vice Commandant Jack McLeod, Paymaster Bob Spano, Adjutant Jack Kelly, Chaplain Chris Bush, Sergeant-at-Arms Charles (Bud) Davis, Service Officer Con McGinley, Director Roger Godfrey, Director Bill Kinney, and Jr. Past Commandant Jim Herbst.

Scholarship Awards: Several scholarship recipients who were not able to attend the scholarship awards meeting in June were able to attend this meeting and receive their scholarships. Scholarship Chairman Wayne Williams presented scholarship checks to Daniel Lane, Theresa McGinley, and Cara Nedbalski. The scholarship recipients gave a brief account of what college or university they were attending and their major field of study, as well as their plans for the future.

Minutes: Bob Wells made a motion to accept the minutes of the 3 June 2014 general meeting as published in the *Scuttlebutt*. Ben Sides seconded the motion and the motion passed.

Officer Reports:

Adjutant: Jack Kelly mentioned that notes of appreciation for scholarships received had been received from Kelly Bergh, Caitlin Donohue, and Anthony Paparo. Kelly Bergh and Anthony Paparo had attended the June Scholarship Awards meeting, while Caitlain Donohue received her scholarship by mail. Jack Kelly also mentioned that a donation of \$100.00 had been received from a community member. Letters of thanks for donations made by the Detachment had been received from the Semper Fi Fund in Oceanside, CA and from the Fisher House Foundation in Rockville, MD. It was also mentioned that an event recognizing the 50th Year Commemoration of "The Helicopter War" in Vietnam will be held at West Chester University on 12 November 2014. This announcement may be published in the *Scuttlebutt*, and further information will be announced as the date of the event draws closer. Jack Kelly also mentioned the June meeting, in which he read a proclamation by Congressman Pat Meehan recognizing four members of our Detachment and four members of the Delaware County Detachment. This had been read into the Congressional Record of the 113th Congress in Washington, D.C. After that meeting, Pete Patrucci had suggested that extra copies of that proclamation be obtained in order to present them to the four individuals named. Jack Kelly was able to obtain more originals from Congressman Meehan's local office in Springfield and these will be presented or mailed to the four individuals named - Louis Camilli, George Edelman, Walter Tallmadge, and Donald Walz.

Sr. Vice Commandant: Dom D'Alessandro expressed his appreciation to a number of individuals who had assisted him with the June Scholarship Awards dinner and meeting.

He thanked Bob Spano, Bud Davis, Jim and Beth Herbst, Earle Drake, Dan Luty, Paul Ferguson, and Wayne Williams for their assistance during the June meeting. Dom D'Alessandro also mentioned that the picnic is coming up, scheduled for 9 August 2014 at Drexel Lodge Park on West Chester Pike. Signup sheets were to be distributed during the meeting to get an idea of the number planning to attend.

Jr. Vice Commandant: Jack McLeod reported that almost \$70,000.00 has been collected so far this year in the Help Us Help Others (HUHO) Campaign. He also mentioned that during the month of June, \$18,000.00 had been collected, even though there were two weekends in which double bookings were experienced, and we had to share collection activity and space with other organizations. Jack McLeod mentioned that Roger Godfrey had done some collecting on his own at Booth's Corner and had collected \$2,000.00, and George Boyajian had done some collecting in the Havertown area and had some good results also. Both of these men received a round of applause.

Chaplain: Chris Bush mentioned that member Barry Reese had passed away the day before. He also mentioned that Tony Fusto had been in a car accident, but Tony and his wife were both recuperating at home.

Service Officer: Con McGinley mentioned that the next bingo game at the Coatesville Medical Center is scheduled for 10 July 2014, beginning at 1400.

Director Godfrey: Roger Godfrey mentioned that he would be returning to the Booth's Corner location for additional HUHO fund raising opportunities on 18 and 19 July 2014. He also mentioned that he would be at the Harley Davidson dealership in Chadds Ford on Baltimore Pike, south of Route 202, on 12 July 2014.

Paymaster: Paymaster Bob Spano reviewed the paymaster's report as of 30 June 2014. He also suggested that the membership review the list of organizations shown on the back of the agenda. These organizations will be considered for donations later in the evening. There were no questions on the paymaster's report. George Boyajian made a motion to accept the paymaster's report as received. Jim Herbst seconded the motion and the motion passed.

Committee Reports:

Awards: Jim Herbst presented a Meritorious Commendation certificate to Richard Guyer for his participation in fundraising during 2013.

Honor Guard: Ben Sides reported that fourteen funerals were conducted for deceased military members during the month of June. This brings the year-to-date total to seventy-three. One more is scheduled for the following Monday. Ben Sides also mentioned that there are some administrative details to be resolved with the Army when the Detachment Honor Guard participates in funerals for deceased Army veterans. Some additional paperwork has to be submitted in order to receive the proper expense money from the Army for the funerals of Army veterans.

Membership: Jr. Past Commandant Jim Herbst introduced a potential new member, sponsored by Chris Bush. Jim Herbst mentioned that Richard J. Bortner had served in the U.S. Army and he had submitted his DD214 and his check for membership. Chris Bush made a motion to accept Richard J. Bortner as an associate member, and Bob Spano seconded the motion. The motion passed. Richard J. Bortner was sworn in as an associate member by Commandant Paul Ferguson.

Communications: John Cook provided information on Honor Flight - Philadelphia, an opportunity for WWII veterans to visit Washington, D.C. at no cost. The trip will include visits to national monuments in Washington, such as Arlington National Cemetery, the Korean War Memorial, the Vietnam Memorial and others. The food will be provided at no cost, and escorts for those veterans needing assistance would be provided. There is an informational meeting scheduled for 27 July 2014 at 1400 at the American Legion Post in Havertown.

Commandant Paul Ferguson read a Memorandum from MCL National Commandant Jim Tuohy entitled "Marine Corps League Policy on Political Participation in Local, State, and National Elections." The policy, from the National By-laws and Administrative Procedures, states:

"The Marine Corps League shall never take part in any labor or management dispute or issue, and it shall be ever non-sectarian, non-political, and non-partisan; nor shall it be based on the grounds of race, color, creed, nationality, or sex; nor shall it be used as a medium of political ambition or preferment; nor shall former or present military rank or present civilian position be used as the basis for special consideration or preferment."

The Memorandum further stated that "The Marine Corps League wants and strongly encourages ALL its members and families to exercise their Constitutional right and duty to vote. With that said, our membership cannot give the impression that the League supports or opposes ANY one candidate or political party."

On another matter, Commandant Paul Ferguson read from an announcement from Tracy Neri, mentioning the website MakeTheConnection.com. This is a public awareness campaign by the U.S. Department of Veterans Affairs (VA), and participants (veterans of all wars) are needed to take part in a video shoot, sharing their stories of challenges and recoveries. Personnel from MakeTheConnection.com will be in Philadelphia on 11, 12, and 13 July 2014 for those wanting to take part in this video shoot. Paul Ferguson mentioned that he would have the flyer available after the meeting for anyone interested in this program.

Unfinished Business: No items of unfinished business were raised.

New Business: Bob Spano reviewed the list of organizations that were being suggested for donations this month. These organizations were discussed and approved at a recent officers' staff meeting. They were being suggested to the membership for consideration. Most of the organizations were organizations that the Detachment has donated to frequently, but two were organizations that the Detachment has donated to in the past, but not on a regular basis.

One was the United Methodist Neighborhood Services organization in Philadelphia, PA, and the second was The Veterans Group, also in Philadelphia, PA. Jack McLeod provided some additional information on the United Methodist Neighborhood Services Group. George Boyajian made a motion to donate the funds as outlined in the list on the back of the agenda. The organizations, and the amount to be donated shown in parentheses, are (1) Fisher House Foundation, Rockville, MD (\$2,000.00); (2) The Injured Marine Semper Fi Fund, Oceanside, CA (\$2,000.00); (3) Operation First Response, Culpeper, VA (\$2,000.00); (4) United Methodist Neighborhood Services, Philadelphia, PA (\$1,000.00); (5) The USO, Philadelphia International Airport, Philadelphia, PA (\$2,000.00); and (6) The Veterans Group, Philadelphia, PA (\$2,000.00). Bill Kinney seconded the motion and the motion passed.

Good of the League: Nothing was mentioned under the Good of the League category.

Announcements: Bob Spano mentioned that he, Al Harper, and Con McGinley had attended the annual Marine Corps League Department of Pennsylvania Convention last week. Another streamer was received for the Detachment's flag.

Bill Kinney mentioned that the Fourth of July parade is Friday, and a report time is between 0915 and 0930.
