Commandant's Report September 2011

Another summer has come and is just about gone and so has our annual picnic. Unfortunately, I was unable to make this one but by the look of the pictures I would assume it was a great success. I have posted some of the pictures in this Scuttlebutt edition.

I have some announcements regarding upcoming events. To start with, Congressman Meehan's District Representative, Jourdon Frain, will be joining us at our September 7th meeting. He will be providing an overview of Veteran related offerings and programs that they are working on.

Our *Young Marines* Commander, Bob Stanton, wanted me to pass along some events.

Bob also happens to be the Commander of *The #1 VFW Post in the State* and they have 6 new gleaming trophies to prove it down there in Folsom at Post #928.

Post #928 would like to extend an invitation to all for both, An Ole Fashion Labor Day Picnic on the 5th and their Annual Clam Bake on Saturday the 17th. The Picnic is free but bringing a covered dish would be appreciated. The Clam Bake is \$25. Both events start at 1300. Contact Bob Stanton for more information.

Our brothers at the DELCO Detachment are having their annual Pig Roast at their home in Upland on Saturday the 10th at 1300. Contact Big Ed at 610-874-6601 for more information.

Don Campanile, Commandant of the PFC Raymond Dewey Det., asked us to pass this along: "America 4 r Marines" is planning a fundraiser on Sunday, September 18 at 1300 hrs at the Red Rooster Tavern on Dungan Road just below Thawn Street in Philadelphia. Tickets are \$25 for open bar (beer and soda), food and Gallagher Brothers entertainment. There will also be a door prize and Chinese auction. For information and/or tickets, please contact Don at doncampanile@yahoo.com.

Lastly, Earle Drake would like me to remind everyone that nominations for our 2012 Officers are right around the corner. First round takes place at the October General Meeting.

Semper Fi,
Dan Luty

SICK CALL

Ben Cope
Matthew (Gene) Balfrey

Bob Bunce

Please remember to notify Chaplain Chris Bush (610.353.5569) of an illness, or of a member or family member passing away.

General Butler began a lecture tour after his retirement. He once spoke in twenty towns in twenty-one days. The core of his speeches centered on the hope of improving society and Americans' moral obligation in the fight against crime. He also became an advocate for peace and stated that he was a pacifist and that Americans should look after themselves. In 1935, his book, "War is a Racket", was published in which he stated, "In war, huge fortunes are made and used by few, and soldiers must pay for war with their lives. It would be cheaper for the United States to remain isolationist and stay out of war. The soldiers receive low pay to leave home, eat rations, sleep in trenches, kill and get killed. In the old days the soldiers received war spoils, but now the politicians receive the spoils."

It was also during this time that he became embroiled in a plot to take over the power of the government. Rich and powerful people sent their agents to see if Butler would take part in a move to seize power in Washington. He kept a record of the affair and it was duly investigated by Congress but nothing ever developed from the investigation.

The plan was based on the political situation in Italy and Germany. Benito Mussolini had taken control of Italy in 1922 via the Fascist Party (Black Shirts) even though King Vittorio Emanuele III was the titular head of government. Adolf Hitler took control of government in Germany via the National Socialist Party (Nazi Brown Shirts) on 30 January 1933 by being appointed Chancellor even though Field Marshal Paul Von Hindenburg was President of the Republic. The American plan was for the new Liberty Party (Khaki Shirts), composed mostly of veterans, to seize the power in Washington with Smedley Butler as Director and President Franklin Roosevelt as titular head of government.

27 September 1944: The American flag was raised over Peleliu, Palau Islands, at the 1st Marine Division Command Post. Although the flag raising symbolized that the island was secured, pockets of determined Japanese defenders continued to fight on. As late as 21 April 1947, 27 Japanese holdouts finally surrendered to the American naval commander on the scene.

30 September 1945: Marines of III Amphibious Corps, commanded by Major General Keller E. Rockey, began landing in North China to assist the Chinese Nationalist government in accepting the surrender of Japanese forces and repatriating Japanese soldiers and civilians.

Adjutant: Jack Kelly reported that letters of thanks had been received from organizations that had received donations from the Detachment. Letters of thanks were received from The Fisher House Foundation, Homes For Our Troops, The Veterans Group, and the Semper Fi Fund. A card of thanks was received from John Blaisse, recently honored and recognized in an Eagle Scout ceremony. A card of thanks was received from Mrs. Joan Dailey, thanking the Detachment's Honor Guard for participating in the services with military honors at her husband's funeral. Lastly, cards of thanks were received from Detachment scholarship award recipients Amanda Philip, Lauren D'Amora, Ryan Ellis, Peter Balzereit, and Amelia Herbst.

Sr. Vice: Bob Cosgrove mentioned that the Combined Alliance picnic would be held on 13 August 2011. He indicated that sign-up sheets were available for those individuals planning on attending the picnic. Bob Cosgrove also mentioned that a trip to the Marine Corps Museum has been scheduled for 23 September 2011. He provided details of the trip, and sign-up sheets were distributed for those interested in going on the trip.

Jr. Vice: Jack McLeod reported that nineteen HUHO (Help Us Help Others) fund raising events and one WAWA store event have resulted in more than \$73,000.00 so far in donations from shoppers. Jack McLeod read the names of the Detachment members who have been participating in the HUHO campaign. Jack McLeod indicated that we have been blessed by the Lord for His bounty, by our store hosts for their hospitality, and by the generosity of store shoppers. Jack McLeod closed his report with heartfelt comments on the contributions of Joe Hudson to the Detachment and to the HUHO campaign. Joe Hudson had just recently passed away.

Chaplain: Chris Bush mentioned that member Joe Hudson had passed away. Joe was a long time member of the Detachment and he will be missed. Chris Bush also mentioned that Jack McHenry was in the Lima Estates Infirmary. Pete Patrucci also mentioned that Tom Agnew, a former Detachment member, had passed away recently.

This suggestion will be discussed at a future officers' staff meeting.

Jr. Past Commandant: Earle Drake mentioned that a mailer has been sent to elementary schools in the county announcing the flag history program in the Americanism program. Under Public Relations, Earle mentioned that plans are underway to have a General Butler exhibit and a Generations lab at Neumann University in Aston, PA. The exhibit will be installed on 27 August 2011, and it will run through the first part of September. The lab, which consists of the experiences of six of our MCL veterans who served in World War II, Korea, Vietnam, and the Cold War, is tentatively scheduled for 15 November 2011. More information will be provided at a later date.

Honor Guard: Wayne Barner reported that 22 military funerals for veterans had been conducted during the month of July. The total for the year so far stands at 129. Wayne Barner mentioned that during the month of July the weather had been particularly hot, and he expressed his appreciation to those members who had participated so much during the month. He also mentioned that Dick Phillips of the American Legion had recently had a mild stroke, so other members of the Honor Guard have had to assume some of his duties. Dick Phillips is home from the hospital, but it will be awhile before he is able to participate again.

Marksmanship: Earle Drake reported that not enough members have indicated a desire to shoot as a team in the upcoming rifle match, so he and Gene Kern will be shooting as individuals. At least two more shooters are needed to form a team to shoot in the Department's rifle competition.

Delaware County Veterans Park: Jerry Leon provided some information on the progress of the Delaware County Veterans Park. Tickets are available for purchase for the helicopter ball drop on 9 September 2011. Those members who wish to sell tickets should see Jerry Leon. There is also a dinner in the evening after the golf tournament.

Shirts for the HUHO (Help US Help Others) volunteers are also available. He indicated that it would be a brief, dignified ceremony, taking place at 1900 on 11 September 2011.

Unfinished Business: No items of unfinished business were raised.

New Business: Bob Spano reviewed the list of organizations that were being recommended by the officers for donations. Harry Kaufman made a motion to donate \$1,000.00 to each of the following organizations: (1) Fisher House Foundation, Rockville, MD; (2) The Injured Marine Semper Fi Fund, Oceanside, CA; (3) Operation First Response, Culpeper, VA; (4) The USO, Philadelphia International Airport, Philadelphia, PA; (5) The Veterans Group, Philadelphia, PA; (6) Warrior Weekend, Millsboro, DE; (7) Yes We Care, Philadelphia, PA. Bernie McGinley seconded the motion and the motion passed.

Earle Drake mentioned that he had met with Chris Driscoll, a representative of the Paper Mill House Museum and discussed a long-term loan of the painting of General Smedley D. Butler. A loan agreement has been prepared, and the painting will be loaned to the Paper Mill House Museum. Earle Drake also mentioned that Lt. Col. John Church has been promoted to Colonel, and he is no longer at the Valley Forge Military Academy. In the fall, he will be teaching at Immaculata University.

Announcements: Bob Spano reminded the membership of the booster program for the *Scuttlebutt*. He also mentioned that he had paper copies of the Detachment's membership list, for those members who do not have a computer.

Earle Drake mentioned that he has invited Jourdan Frain, the District Representative for Congressman Patrick Meehan, to speak on veterans' affairs at either the Detachment's September or October meeting, depending on his schedule.

Bob Cosgrove mentioned that he had recently attended a meeting of the Upper Darby MCL detachment, and at the end of the meeting, the members sang the first verse of the Marine Corps Hymn. He recommended that our Detachment should do the same.

Good of the League: Fred LeClair, Jr. Vice Commandant of the Chester County Detachment, mentioned that the Chester County Detachment would hold a short memorial service at the grave of Samuel Nicholas in Philadelphia. Samuel Nicholas is considered to be the first Commandant of the Marine Corps. The service will occur on 27 August 2011 at the Quaker Meeting House at 320 Arch Street in Philadelphia, beginning at 1300. Members of the Smedley D. Butler Detachment were invited to attend.

George Boyajian recommended a book that he had read, entitled "*Unbroken: A World War II Story of Survival, Resilience, and Redemption.*" The author is Laura Hillenbrand. George Boyajian indicated that the book is an excellent book.

George Boyajian made a motion to adjourn the meeting. Bernie McGinley seconded the motion, and the motion passed. There was a moment of silence for our departed friend and member, Joe Hudson, who had recently passed away. After the normal closing ceremonies and the singing of the first verse of the Marine Corps Hymn, the meeting was adjourned at 2040.

Mike Milliken won the 50/50. Forty-nine members signed the logbook.
